

## **ZYRKA EARNS MICROSOFT CERTIFIED PARTNERSHIP STATUS**

Dallas, April 9, 2008 – Zyrka, a leader in IT solutions for Private Equity, announces the completion of Certified Partnership Status with Microsoft. Zyrka has satisfied all of Microsoft’s requirements for core competencies in “Networking Infrastructure Solutions” which is based on Microsoft Certification levels, client references, and project deployments.

Becoming a Microsoft Certified Partner, Zyrka can now use its new relationship with Microsoft to leverage new technologies, vendor specific problem resolution, and to quickly receive information and updates from Microsoft.
